

include/barry/cell
-meat.hpp

```
graph BT; A[include/barry/cell-meat.hpp] --> B[include/barry/barry.hpp]
```

A diagram showing a dependency between two header files. At the top is a gray rectangular box containing the text 'include/barry/cell-meat.hpp'. Below it is a white rectangular box containing the text 'include/barry/barry.hpp'. A blue arrow points vertically from the top of the white box to the bottom of the gray box, indicating that the top file depends on the bottom file.
