

include/barry/models
/geese/counters.hpp

```
graph BT; A["include/barry/models  
/geese/counters.hpp"] --> B["include/barry/models  
/geese.hpp"]
```

A diagram illustrating an include relationship. It consists of two rectangular boxes. The top box is shaded gray and contains the text "include/barry/models /geese/counters.hpp". The bottom box is white and contains the text "include/barry/models /geese.hpp". A blue arrow points from the bottom box up to the top box, indicating that the bottom file includes the top file.
